# TWENTY HAPPY YEARS!

Twenty happy years,

twenty happy years

TWEN-TY HAP-PI Y EARS---

Twenty years in Villa Park

Twenty years of fun.

Twenty years of growing

and we've only just begun.

Twenty years of building

on a dream that never ends,

Over two decades of laughter

for a happy world of friends.

Only twenty years ago,

that was the start.

Lots of great activities

for young and young at heart.

May we forever

with the good things that we do,

make the brightful and delightful

side of life come true.

Twenty happy years,

twenty happy years

TWEN-TY HAP-PI Y EARS!
