## “CELEBRATE” PRODUCTION TEAM

*JIM CHRISTENSEN - center left*

Jim Christensen is serving as creative director and musical conductor for “CELEBRATE”. He is also currently writing and producing shows for Walt Disney Productions, Knott’s Berry Farm, the 1982 Worlds Fair in Knoxville and the 1984 Olympics to be held in Los Angeles. Jim’s musical sound is familiar to Southern California audiences through his arrangements and compositions for Disneyland, Super Bowl XI, the RAMS, his Pacific Pops Orchestra and many recordings for vocalists.

Your children may also be familiar with his music if they play in the high school band or orchestra since he has over 150 published works.

After conducting orchestras throughout the United States and Canada, Jim says, “There is no place like Villa Park when it comes to spirit, energy, cooperation and just plain fun!”

### ***MARILYN MAGNESS CARROLL - center right***

Marilyn Magness has directed and/or choreographed a wide variety of shows including television specials, musical revues, parades, and rock shows. She has staged live or televised appearances for Marie Osmond, Jimmy Osmond, Joey Travolta, John Byner, Ella Fitzgerald and Kristy McNichol. She has also appeared on over 100 children's television shows across the country, often co-hosting the show as a character from a well-known Disney animated classic.

Staff choreographer for Walt Disney Productions, Marilyn has been involved with live spectaculars for Walt Disney Studios, Disneyland, Walt Disney World and overseas. Recently, Marilyn has choreographed for the Los Angeles Rams cheerleaders.

### ***JUDY JOHNSON - far left***

Judy Johnson, as Vice-President, Ways and Means for the V.P.W.L. is serving as producer and overall coordinator for "CELEBRATE". Judy and her husband Wayne, native midwesterners, are the parents of five children and are very involved with various school, church, and community groups. Prior to being Ways and Means Chairman, Judy served as Vice-President, Activities for the Women's League.

### ***KAREN CHRISTENSEN - far right***

Karen Christensen, 13th president of the Villa Park Women's League is also serving on the production team as musical and creative assistant. Since graduating from the University of Wisconsin with a Bachelor of Music degree she has been an active professional flutist in the midwest and since 1969 in Orange County.

She has performed in various professional musical groups and helped produce many theatrical productions both here in California and in Wisconsin. Before leaving Madison, Wisconsin, Karen served as president of PHI BETA, a speech and music performing group. Community endeavors are of particular interest to her so she remains active in school, sorority and City of Villa Park activities.

Karen works with Jim in the business and musical side of the Pacific Pops and rounds out her busy life by caring for their four sons.

"SO LONG, FAREWELL"

from The Sound Of Music, for "Packing House"

So long, farewell, Auf wiedersehn, good night  
We hate to see you leave this pretty site

So long, farewell, Auf wiedersehn, adieu  
Our town won't be the same without your view

So long, farewell, Auvoir, auf wiedersehn  
We wish you'd stay like Phil & Ralph's & Waynes

So long, farewell, Auf wiedersehn, goodbye  
You'll leave and then we'll sigh and say goodbye

We tried to save you for the future years  
Our moms and dads have shed a lot of tears

We know you have to go and so must we

So long, farewell we know it has to be

Goodbye. . . . Goodbye. . . . Goodbye. . . . Goodbye. . . .
